Microsoft 365 vs. Office 365

Transforming Businesses Through Technology

MNJ TECHNOLOGIES

What is Office 365?	What Is Microsoft 365?
Office 365 is a subscription that provides productivity access and information for those looking to utilize Office from anywhere.	Microsoft 365 suites provide an array of extra security options that feature device management capabilities and Windows 11. These features are not included in Office 365, which can lead to security & compliance gaps.
