Transforming Businesses Through Technology

MNJ TECHNOLOGIES

> MNJ was founded in 2002 by Paul and Sue Kozak using their decades of IT experience to form a Value-Added Reseller (VAR) offering cost-effective hardware and software technology solutions.

Today, MNJ has over 10,000 satisfied customers and is a leading Digital Transformation and IT Solutions Provider.

With the goal of customer success, our experienced team of engineers provides customized solutions that address pressing business needs seamlessly.

Based on our solid VAR foundation and our proven MSP expertise, we help customers drive five primary business outcomes:

- ✓ Risk Mitigation
- ✓ Cost Optimization
- ✓ Growth Multipliers
- ✓ Revenue Drivers
- ✓ Operational Efficiency

Expertise & Execution

MNJ's proven practice areas, customer success teams, and partner ecosystems complement in-house IT and keep innovation and transformation on pace.
