Migration Readiness Assessment & Planning

Transforming Businesses Through Technology

MNJ TECHNOLOGIES

> Are you committed to a cloud-first strategy but haven't begun your journey? Is a lack of resources, experienced talent, and an informed plan preventing you from getting started?

MNJ has the qualified and knowledgeable team you need to assess your specific migration needs and create a roadmap for your successful migration to the cloud.

MIGRATION READINESS ASSESSMENT & PLANNING

MNJ's team of vendor-certified cloud architects and engineers will assess your needs and create a custom plan for you. That plan will include:

Analysis of Current State
MNJ assesses your infrastructure and determines which workloads are good cloud candidates and which are not.

Workload Sizing
MNJ estimates the ideal resource requirements for each candidate workload and projects their monthly cost.

Migration Methodology
We determine the ideal order and best way to migrate workloads to ensure the least disruption and the highest probability of success.

Comprehensive Roadmap
MNJ will prescribe the actions that need to be taken for a successful journey to the cloud all the way from prerequisites to migration to ongoing maintenance.

- ✓ **DEPLOY NEW SOLUTIONS FASTER**
- ✓ **REDUCE COSTS**
- ✓ **ENABLE GREATER SCALABILITY**
- ✓ **FOCUS MORE RESOURCES ON YOUR CORE BUSINESS**
- ✓ **INCREASE BUSINESS TRANSFORMATION VELOCITY**
- ✓ **IMPROVE SECURITY**

Benefits of MNJ's
Migration Readiness Assessment & Planning

Confidence
MNJ's cloud team, ReadyNetworks, has earned the Infrastructure Solution Provider badge from Microsoft as evidence of their competence.

Reduced Risk
The team has executed dozens of successful MRAP engagements so MNJ clients can rest assured that the job will be done right.

Financial Visibility
Projected cloud migration costs and future ongoing costs are included in the Client Total Cost of Ownership section of the MRAP document.

Non-Invasive
The MRAP engagement is executed with a minimum of disruption. Clients can continue their work as usual while the project is underway.

Comprehensive
Clients will have the detailed plan they need to make their initial cloud migration. The plan can be executed by MNJ or by any vendor selected by the client.

Cost-Effective
The cost of MRAP is much less expensive than hiring a consultant. In addition, MRAP costs are credited back to the client if the client uses MNJ to execute their cloud migration.
